

Acts 8:35-36

### Sermon Outline

**Main Objective:** Words change \_\_\_\_\_. One of the great gifts to mankind is the ability to communicate. But more than anything else, God gave us words so we can \_\_\_\_\_ others about the Gospel of Jesus and how Jesus changed our lives.

Every \_\_\_\_\_ a minister. You can be a monumental difference-maker in this church and the Kingdom of God.

Every Christian is equipped for \_\_\_\_\_ and every Christian is empowered to be effective in evangelism.
